REPAIR/RECONSTRUCTION OF PERIPHERAL ROAD

Dear Members/Residents,

You will be happy to note that repair/reconstruction work of the peripheral road, keeping in mind the safety of road users, will begin from Tuesday, 13 February 2024.

It will be done in phases. To accommodate the first phase, a portion of the lane from Mother Dairy through C and D block until the end of the lane will be temporarily closed for members/residents.

Traffic will not be allowed and members/residents are directed to detour their vehicle. Road users are requested to plan ahead and take extra care when workers are on site.

The driveway access is also temporarily restricted. Members/residents are requested not to use the driveway and vehicle if needs be parked in the front area.

Some noise disturbance can be expected at times while these works are completed, however, the work will be managed to minimize disturbance to nearby residents, as much as practically possible.

We appreciate your cooperation and patience while this important work is undertaken.

Mariamma Chauhan
Secretary
