CIRCULAR

Dear Members,

As you know that, the huge repair work in the society is still going on out of which some are completed like, Water Harvesting system mandatory requirement by Regulatory Authority, Electrical health of the society, Sewerage system repair, cleaning of Sewerage system, but Road construction work is still going on. The said pending & above work which had to be carried out by the contractor but the previous M C failed to do so.

Please recall the S.G.B.M held on 02.07.2023, an equal amount will be spent from the sinking fund and remaining 50% percent from members. It worked out to be approx. ₹ 16500/- per member. We had taken only ₹ 9000/- from the members at that time.

We had been meeting these expenses with utmost economy as well as paucity of funds. Now however we are left with no option but to pass on some of the burden to our members. For this month we will be charging balance of ₹ 7500/- from each member (₹ 16500-9000/-) the approval for which we have already taken in the S.G.B.M. In case any member may face any difficulty in paying the same in lump sum he or she may approach the office for the needful.
